## Galena Park I.S.D. Host Monthly Food Distribution

Houston, Texas: On Friday, February 26, Galena Park I.S.D. teamed up with the Houston Food Bank and Harris County Precinct 3 Community Outreach Division to host a food distribution for local families.

Every month, GPISD and Precinct 3 partner together to distribute non-perishable food items to community members who are in need. This month, the Houston Food Bank supplied the donation for over 300 families to receive meals.

We would like to thank you to the numerous GPISD employees, Houston Food Bank and Harris County Precinct 3 for assisting with the distribution.
