Over 4,000 Fathers and Father Figures Attend GPISD Fathers Take Your Children to School Day

Houston, Texas: Galena Park Independent School District (GPISD) invited fathers and father figures to participate in GPISD's Fathers Take Your Children to School Day. All 26 GPISD's campuses hosted fathers and father figures to eat breakfast with their child(ren) and attend a brief presentation by school administrators encouraging them to volunteer in our schools.

Over 4,250 fathers and men across the community participated in Fathers Take Your Children to School Day. This event was established to encourage fathers to take a more active role in their children's lives and introduce them to their children's school community.

Galena Park I.S.D. appreciates fathers and father figures for being actively involved in their child's education and making a commitment to attending this annual event.
