

Welcome to Supplier Registration

This document provides instructions on how to register with this organization of whom utilizes Ion Wave Technologies (IWT) software. Please take note of the following.

- Each organization manages its own supplier database. Registration with other IWT clients does not grant access to this organization's site.
- Completing registration does not mean that you have been or will be awarded business with this organization.
- Reviewing this organization's purchasing website for detailed instructions about doing business with them is highly suggested.
- Any changes or modifications to this supplier profile will need to be completed by the supplier. It is not the organizations responsibility to manage this information.
- Registrations are managed by this organization and not by IWT. All questions about the approval process will need to be directed to this organization.

Registration Process:

To begin the registration process, select the "Supplier Registration" link on the organization's page. You will be prompted to enter your Company Name, Telephone Number, and DUNS (if applicable). If you are providing an international telephone, check the box next to "International" and enter information accordingly. Select 'Next' to proceed. (See *Figure 1*.)

The system will search this organization's supplier database for an existing supplier account. If a duplicate or similar supplier account is found, we suggest contacting the primary user of the registered account to be added as an additional user on the account. If this is not your company, you can proceed by clicking 'Create New Supplier'. (See *Figure 2*.)

Commodity Codes:

Selection of Commodities will allow your organization to be invited to solicitations specifically related to business as they are released. Please review all commodities and only mark those commodities that pertain to your organization. The commodity main categories can be expanded by clicking either on the + sign or **bold text**.

The Search tool allows you to enter a keyword and Search the commodity listing. The system will highlight those commodities matching your search. (See *Figure 10.*)

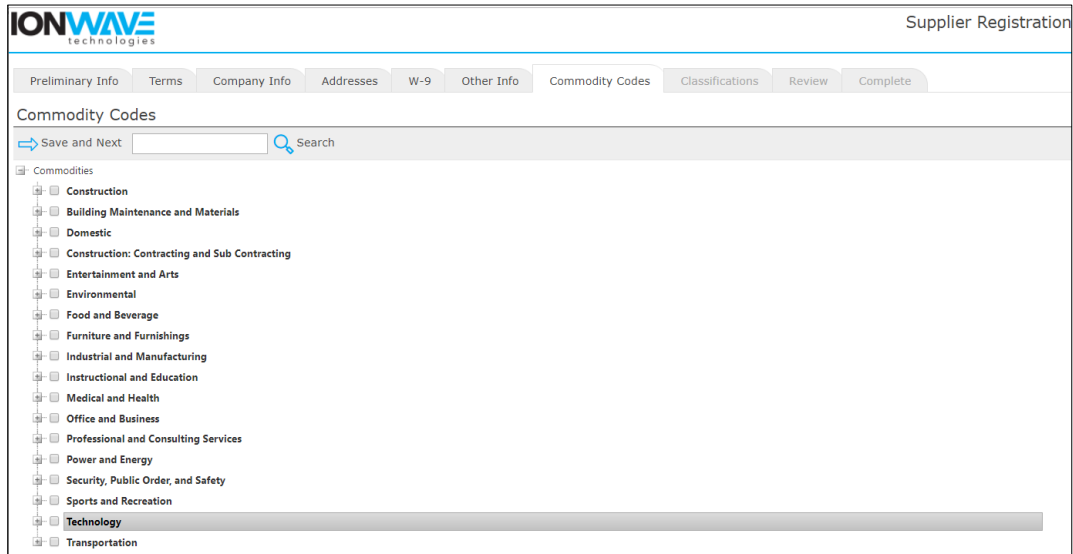

Figure 10

Classifications:

Depending on this organization's settings, you may be asked to provide information about Special Classifications related to your business and may be prompted to upload a document verifying your qualification for this classification.

Check mark each classification that applies to your organization and if prompted, upload a document from your desktop by clicking the 'Select' tool and then selecting the appropriate file from your computer. (See *Figure 11.*)
