## Campus Profile

### Where We Have Been:

#### A History of Campus Important Changes

Cloverleaf Elementary was built in 1942. Romanus Frank Nadolney, better known as "Peaches" played college football for the University of Notre Dame, the Green Bay Packers and the Milwaukee Badgers. Upon completion of his football career, he moved to this area to establish a residential subdivision to be named "Clover Leaf Farms". In 1942, the school board matched funds that were allotted by President Roosevelt to construct a new school in the Galena Park Independent School District. Mr. Nadolney and his wife, Frances donated a seven-acre tract of land in the Clover Leaf Farms subdivision for the new elementary school.

A new building has opened for the 2019- 2020 school year.

### B. Attendance

Enrollment for the 2018-2019 school year reached an average of 788 students. The average daily attendance for students has remained consistently above 97%. ADA for the 2018-2019 school year was 96.90%.

### Where We Are Now:

Cloverleaf Elementary

Comprehensive Needs Assessment

## **School Profile**

Cloverleaf is one of fifteen elementary campuses in Galena Park Independent School District. Cloverleaf opened its doors in 1943 and serves 95.5% Economically Disadvantaged families. Cloverleaf serves approximately 835 students in grades PK to fifth grade. Cloverleaf's campus organization includes a combination of self-contained and departmentalized classrooms, and inclusion of students with special needs at all grade levels.

## **Survey Data**

The staff indicates that we need to focus on English Language Arts (Reading and Writing), Science, Technology integration, student attendance, improve classroom discipline through character education, improve early intervention and increase effective teaching strategies.

## **Special Programs**

Our School-wide Title I program consists of parent involvement activities, ACE, after school and Saturday tutorials, open house, Drug Awareness, Fire Prevention, Health and Wellness, Brighter Bites and Early Act First Knight Student Character Education Program, which includes involvement from the North Shore Rotary Service Organization. Our State Compensatory Program (SCE) consists of a summer Science program, a summer Math program, and a summer Early Intervention program for Kindergarten and 1<sup>st</sup> grade.

## Demographics Strengths

- Identification process for homeless students
- Highly qualified dedicated bilingual and ESL teachers
- Students' mobility-students stay at Cloverleaf
- SPED program -increased classroom time and accommodations such as calculators and individualized instruction to support students

## Problem Statements Identifying Demographics Needs

**Problem Statement 1:** The Demographics Committee reviewed language retention across our campus, and as a result, we found that we need more resources and support to enhance both Spanish and English acquisition and retention. **Root Cause:** 1. Parents can't help with English homework. 2. Lack of communication between parents and students in conversation (children are generally quiet ). 3. In Bilingual classes, the curriculum changes concepts but not in both languages. 4. Lack of English at home means less practice. 5. Students advocating/interpreting for parents and missing school. 6. Parents do not know where to get the assistance to understand processes and forms for resources and jobs. 7. Enforcing bilingual program teachers teaching the mandatory time in English and Spanish

**Problem Statement 2:** The Demographics committee reviewed and found that student achievement is negatively affected by generational poverty. **Root Cause:** Student's lack of vocabulary and experience.

# Student Academic Achievement

## Student Academic Achievement Summary

Cloverleaf Elementary Met the Standard on state assessments in 2017-18 School year. Our campus scores based on Approaches/Meets/Masters repectively were 64%/53%/12% in Reading, 88%/53%/25% in Math, 40%/24%/4% in Writing, and 75%/40%/8% in Science.

For the 2018-19 school year, our campus has seen improvements in some tested areas. Our campus scores based on Approaches/Meets/Masters respectviely are 72%,/36%/15% in Reading, 87%/58%/29% in Math, 58%/30%/10% in Writing, and 76%/50%/25% in Science.

## Student Academic Achievement Strengths

- Bear Rallies celebrate students for good behavior, math achievement, reading achievement
- Many resources provided to students
- Interventions in Spanish and English
- Tutoring (based on Below, Approaches, Meets, and Masters) before school and during school
- Science Lab
- Writing Lab

## Problem Statements Identifying Student Academic Achievement Needs

**Problem Statement 1:** The committee looked at 2017-2018 STAAR and found that reading scores decreased. We determined that by focusing on the implementation of vertical alignment and balanced literacy, we can improve our 2019-2020 STAAR Scores. **Root Cause:** Students lack of vocabulary and comprehension. Still developing in vertical alignment of balanced literacy.

**Problem Statement 2:** The committee looked at 2017-2018 STAAR and found that EL reading scores decreased. We determined that by focusing on the implementation of the dual language program with fidelity and balanced literacy, we can improve our 2019-2020 STAAR Scores. **Root Cause:** Fidelity with program implementation and target language. Providing students opportunities to build academic language in English and Spanish.

# School Processes & Programs

## School Processes & Programs Summary

At Cloverleaf, we have many programs and processes to meet the needs of our students. At the beginning of the year, we have a KYS (Know your student) meeting, where teachers complete a spreadsheet reviewing student data and creating goals for reading, math, science, and writing. Our instructional team meets weekly with their content and grade level teams to plan lessons and analyze data to plan interventions. We review this document after District Assessments. We have also met as a bilingual vertical team to discuss how we can support our English Learners.

Our Foundations Committee is continuously working to help make Cloverleaf a safe place for all students and staff. We have a teacher committee that meets regularly with teachers to offer support as needed. Our teams meet weekly to plan weekly/biweekly depending upon grade level and subject to plan instruction. We have a mentor program for new teachers who meet monthly to discuss topics like Fundamental 5, best practices, and answer any questions.

## School Processes & Programs Strengths

- Planning vertically and horizontally
- Data driven decisions based on student achievement
- Making necessary interventions for student success.
- Tutorials offered in grades 3rd through 5th.
- Reading camp
- Math and Science Family Night
- Science lab and ELA lab
- Foundations Program
- CIS/ACE programs

## Problem Statements Identifying School Processes & Programs Needs

**Problem Statement 1:** The processes and programs committee looked at current ELA/Science resources and as a result we found that the campus needs more guidance in using ELA resources and expanding the depth of science resources. We determined that by focusing on planning we can improve quality of instruction. **Root Cause:** Time constraint, vertical alignment, vocabulary and new resources.

**Problem Statement 2:** The processes and programs committee looked at upcoming technology changes and as a result we found that our staff needs Cleartouch Panel training. We determined that by focusing on a technology implementation plan we can improve the transition to new technology next year.

**Root Cause:** It is new technology and not every teacher has one yet in the classroom.

# Perceptions

## Perceptions Summary

Cloverleaf provides a family oriented campus culture focuses on helping students and families in our community. We embrace parent involvement through our PTA, MAMA Bears, and invite volunteers to our school activities. At Cloverleaf, students are given the opportunity to enrich their educational experience by participating in programs/clubs such as PTA musical performances, CIS program activities (soccer, ballet folklorico) Bear Fair, Talent Show, Career Day, Field Day, fundraisers (Relay for Life), etc.

We have a weekly flash that is sent to staff members to communicate duties, school events, and birthdays. We also utilize our website and facebook to communicate different events. We use school status to communicate with parents.

## Perceptions Strengths

- Student Attendance
- Student Behavior
- Community involvement
- Communication

## Problem Statements Identifying Perceptions Needs

**Problem Statement 1:** The Perceptions Committee looked at student engagement and as a result, we found that student-centered support needs to improve. We determined that by focusing on building relationships we can improve students' overall success. **Root Cause:** Some students need guidance in remaining academic focused. Students come to school with many burdens and stress.

**Problem Statement 2:** The Perceptions Committee looked at barriers to parent/guardian participation and as a result we found that parents lack training and resources. We determined that by focusing on providing informational training opportunities at different times (fall/spring), we can improve parent/guardian engagement. **Root Cause:** Transportation, language, parents lack of knowledge with social apps.

**Performance Objective 1 Problem Statements:**

Perceptions
<b>Problem Statement 1:</b> The Perceptions Committee looked at student engagement and as a result, we found that student-centered support needs to improve. We determined that by focusing on building relationships we can improve students' overall success. <b>Root Cause 1:</b> Some students need guidance in remaining academic focused. Students come to school with many burdens and stress.

## Perceptions

**Problem Statement 2:** The Perceptions Committee looked at barriers to parent/guardian participation and as a result we found that parents lack training and resources. We determined that by focusing on providing informational training opportunities at different times (fall/spring), we can improve parent/guardian engagement. **Root Cause 2:** Transportation, language, parents lack of knowledge with social apps.

**Goal 9:** Cloverleaf Elementary will achieve a 97.5% or higher student attendance rate, utilizing the \$2942.00 Attendance Incentive Plan allotment (plus \$250 bonus bucks). Therefore our total is 3, 192.00

**Performance Objective 2:** Increase student attendance percentage to 97.5% or higher for the 3rd 6 Weeks Period (Nov. 4th-Dec. 20th).

17-18: 95.59

18-19: 97.91

**Evaluation Data Source(s) 2:** Increased student attendance on PEIMS Report utilizing Raa Wee, School Status, Skyward, and ASAP (home visits). Increased student attendance on PEIMS Report.

**Summative Evaluation 2:** Some progress made toward meeting Performance Objective

**Targeted or ESF High Priority**

# **Title I Schoolwide Elements**

## **ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)**

### **1.1: Comprehensive Needs Assessment**

Cloverleaf Elementary is a Title I school. It consists of 88% of economically disadvantaged students. A schoolwide program plan was developed to address all ten Title components which describes the use of our Title I, Part A and other program resources. Parents and community members are involved in the development of the plan, as well as, teachers and administrators who will participate in the planning process and carry out the plan. The plan will be reviewed and revised as needed.

Cloverleaf's Title I program consists of extended day tutorials/Saturday tutorials for writing, science, math and reading. Instructional coaches focus on meeting with teachers and working with students' needs (dyslexia, early intervention, reading, writing, and math) and science lab instruction and activities.

Cloverleaf's State Compensatory Program (SCE) consists of an academic coach training teachers in best practices for assisting at-risk students, instructional coaches focused on core curriculum in small groups, and academic based field trips for at-risk students.

Cloverleaf's Bilingual/ESL/Title III program is a one way dual language program in grades PK-4 th and a transitional program for 5th grade. Each grade level consists of teachers who are certified to teach bilingual/ESL classes. Our program offers tutorials in math and reading, library books in both languages and classroom activities and resources for English language learners.

These were presented to the staff on February 15, 2019 and April 1, 2019. As a staff, we discussed each concern/weakness and deleted any items that were out of campus control and focused on one or two that we could make our goal for 2018-2019. Each team then wrote a problem statement and identified root causes. Based on our CNA, our areas of focus will be ELA resources, Science Resources, and Technology.

## **ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)**

### **2.1: Campus Improvement Plan developed with appropriate stakeholders**

Strategies to address the needs of all students, especially the low performing and at-risk students are a top priority at Cloverleaf. A school wide writing program has been implemented from PK-5th to help strengthen the curriculum. Also, all students and staff members will participate in a reading program such as Tower of Books from grades 2nd-5th grade that will assist with reading comprehension and fluency. These programs will assist our students with opportunities to meet the state's proficient and advanced levels.

## 2.2: Regular monitoring and revision

The CIP is reviewed and monitored to ensure that strategies are being implemented according to the plan. Changes are made according to the needs since the plan is a live working document. It's is reviewed on a quarterly basis and a summative is done at the end of the year.

We will meet quarterly based upon the schedule given.

## 2.3: Available to parents and community in an understandable format and language

The Cloverleaf Campus Improvement Plan is made available to the faculty, parents and community. If requested, a copy of the plan is kept in the office. If translation is needed, the bilingual office personnel can assist.

The CIP will be available to parents and community members in the following locations: front office, campus website, GPISD Administration, and (Business Representative's). The goals of the CIP are available in English and Spanish.

## 2.4: Opportunities for all children to meet State standards

We want to provide our students with multiple opportunities to succeed and meet the State standards:

- Best practices are implemented to ensure student success.
- Small guided reading, math, writing & science groups are provided daily.
- After-school and Saturday tutorials
- CIC's, paraprofessionals and homegrowns assist students that are struggling

All students will have the opportunity to meet state standards through whole group instruction, small group interventions, tutorials, differentiated instruction, and TEKS focused high-quality instruction.

## **2.5: Increased learning time and well-rounded education**

Learning time is essential for student success. Therefore, teachers utilized their time to the maximum so students received increase learning time. As well as emphasizing academics, our students are given multiple opportunities to participate in extracurricular activities;

- Music Classes-Honor Choir; Orf Band Ensemble
- Basketball
- Technology-Digiclub
- Robotics and Engineering Club
- Art Classes
- Boys Club
- EAFK Council
- Dance Team/Cheerleading/Ballet Folclorico
- Soccer Team

## **2.6: Address needs of all students, particularly at-risk**

Cloverleaf is a Title I school due to our low socio-economic status. We have a large number of at risk learners that come to us with many needs such as

- Limited English proficient,
- Learning disabilities
- Family and health issues
- Low mobility rate
- Retainees

Counseling through our school counselor and CIS assists those students that are at risk as well as assistance through our nurse, faculty and staff. Students needs are met at school so they can feel validated and have a successful academic/extracurricular opportunities. We provide the following programs to assist the at risk learner:

- After-school and Saturday tutorials
- RTI and dyslexia interventions
- Small group interventions are provided daily.
- The counselors provides guidance and counseling sessions.
- Parent meetings are held to discuss campus concerns.
- ACE

### **ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)**

#### **3.1: Develop and distribute Parent and Family Engagement Policy**

The counselor presents and sends out information concerning the Parent and Family Engagement Policy to the parents at the beginning of the school year and at PTA meetings. The Parent and Family Engagement Policy is approved by the CPAC.

#### **3.2: Offer flexible number of parent involvement meetings**

A variety of meetings are held throughout the year for parent involvement. It generally falls on the 3rd Thursday of every month:

- Meet the teacher / Open House
- GT Night for lower/upper grades
- Math and Reading nights
- TELPAS informational meetings
- STAAR informational meetings
- PTA meetings
- Coffee with the Counselor
- Briter Bites
- Nutritional Classess
- Health Fair
