

Galena Park Independent School District

District Improvement Plan

2020-2021

Accountability Rating: Not Rated: Declared State of Disaster

Board Approval Date: August 10, 2020

Mission Statement

The mission of the Galena Park Independent School District is to prepare students to become productive citizens and lifelong learners.

Vision

Leading...Learning...Serving

District Profile

When Ezekiel Thomas died, one thousand acres of his property was sold at public auction to Isaac Batterson, who settled on the land and named the settlement Clinton, after his former home in New York. In 1928, construction of the new high school, which was the old Galena Park Middle School was completed, and E. Lunsford became Principal. It was also in 1928, on April 13, that a group of citizens met and officially changed the name of the town from Clinton to Galena Park after the Galena Signal Oil Company, one of the town's leading enterprises. The change was made because the United States Post Office Department rejected the earlier name since there was already a post office at Clinton, Texas, in Hunt County.

Galena Park Independent School District (GPISD) was established in 1930 with G. P. Smith serving as Superintendent. He was followed by J. C. Ingram, W. E. Driskill, Dr. Walton Hinds, W. C. Cunningham, Dr. Gerald D. Cobb, Dr. Don W. Hooper, Dr. Shirley J. Neeley, Dr. Mark Henry, and Dr. Angi Williams. Dr. John Moore currently serves as Superintendent. GPISD is home to three high schools, five middle schools, fifteen elementary schools, and alternative programs staffed by approximately 2,200 teachers, administrators, classified and auxiliary personnel making us one of the largest employers in east Harris County. The District spans 37 square miles outside of Loop 610 East and boasts a student enrollment of over 22,000. The District opened an Early College High School for the 2015-2016 school year and graduated it's first class in 2018-2019.

In May 2016, District voters approved the largest bond referendum in the District's history, a \$290 million issue the District to begin construction projects designed to carry GPISD into the future. The bonds are being used to fund construction of six new elementary campuses, a new 10th grade center, renovating and upgrading all campuses and facilities, and acquiring land for future facility needs. To date, new construction is complete with new facilities being built to replace buildings at Cloverleaf Elementary, Galena Park Elementary, North Shore Elementary and Woodland Acres Elementary, in addition to a completely new campus, North Shore Senior High's 10th Grade Center. Phases III through V Projects are underway, which include construction to replace Jacinto City Elementary and Pyburn Elementary schools, as well as renovations to Cobb 6th Grade Campus, Galena Park High School, and Woodland Acres Middle School. These Bond 2016 projects enable GPISD to continue to provide our students with state-of-the-art educational facilities and equipment so they can prosper as productive citizens and lifelong learners.

Highly Qualified Teacher Data

Since 2012, 100% of Galena Park ISD teachers are highly qualified.

Where We Are Now:

Galena Park I.S.D continues to deliver effective instruction to our diverse and growing student population in grades Pre-K through 12 and takes great pride in its academics. A variety of outstanding instructional programs are designed to meet the ever-changing needs of the students we serve. Our instructional programs include: bilingual education, English as a Second Language (ESL), advanced placement classes, pre-advanced placement classes, dual credit, gifted and talented, special education, Career and Technical

Education (CTE), tutorials alternative educational programs as well as a CTE Early College High School. The District has dropout recovery programs to help our students: Pregnancy Related Services and PEP child care, Accelerated Center for Education, Night School, 21st Century Community Learning Centers, and the Optional Flexible School Day Program. In addition, the District takes great pride in outstanding fine arts, CTE, athletic, academic UIL, LOTC and JROTC programs. Several of our award-winning programs have been recognized at the district, regional and state levels.

State Compensatory Education

The goal of State Compensatory Education is to increase the academic achievement and reduce the drop out rate of at-risk students. Galena Park Independent School District provides funds for supplemental state compensatory education programs and services for students who are identified as at risk. The programs and services were designed for these students using district test results in order to improve and enhance the regular education and summer school programs. Each campus oversees the administration of each supplemental State Compensatory Education Program.

Title I

The goal of Title I is to provide additional supplemental support to students who meet the low socio-economic criteria. In Galena Park I.S.D., all campuses receive Title I funds based on the number of low socio-economic students. Funds are focused on increasing student academic achievement in the core content areas. Funds are utilized to provide supplemental staff, support after school tutorials and supplemental instructional materials. In addition, parent involvement activities are supported for each campus.

Title I, Part C Migrant

The goal of Title I Part C, Migrant is to ensure that migrant children are provided with appropriate educational services, including supportive services, that address their special needs in a coordinated and efficient manner. In Galena Park I.S.D., students are provided with clothes that meet our dress code, supplies and medical vouchers as needed. In addition, training for migrant parents is provided throughout the year to ensure student success. The District Migrant Coordinator meets/conferences with Priority for Service (PFS) migrant students and parents to monitor the services and growth of PFS students a minimum of twice a quarter. To ensure PFS students are receiving the appropriate individualized services, to address their academic needs monthly PFS student progress reviews are conducted. PFS students receive lessons in areas of concern using STRIDE Academy-Adaptive Learning Platform bi-weekly utilizing technology that is checked out to them.

Where We're Going:

Based on feedback from this year's District Needs Assessment Survey, Parent Involvement Survey results, department input, assessment data, District Planning and Advisory Committee (DPAC) recommendations and end-of-year program evaluations, the following sections outline our strengths and priority needs for 2020-2021. We will maintain efforts to support the District goals established by our Board of Trustees. The 1:1 student device program will provide exciting learning opportunities that incorporate the use of technology in the classroom and at home. Technology enhancements and remote learning is a major initiative for the school year. The District will continue to implement the superintendent's focus areas of: Accountability/Own It, Growth/Improvement in EVERY department and EVERY campus, Follow-up and Follow-through, Quality Curriculum/Engaging Lessons, Quality Instruction, Quality Professional Learning for Leaders and Excellence in All We Do.

Demographics

Demographics Summary

Galena Park I.S.D. consists of three high schools, five middle schools, fifteen elementary schools, one alternative program, one Early Head Start and two daycare centers staffed by approximately 3200 employees making us one of the largest employers in east Harris County. The District includes 37 square miles outside of Loop 610 East and has a student enrollment of approximately 22,430.

The student population is 15.2% African-American, 3.6% White, 0.6% Asian, 79.8% Hispanic, 0.2% American Indian or Alaska Native, and 0.6% Two or More Races with an economically disadvantaged status of 85.8%. The district serves 35.9% English Language Learner students. 67.8% of GPISD students are identified as at-risk and 9.6% students are identified as receiving special education services. The average daily attendance rate for students was 97.4%.

Demographic Data Summary

Below is a student demographic summary based on our October 2019 fall snapshot data:

Subpopulation	Number of Students
African American	3418
White	803
Asian	132
Hispanic	17,888
American Indian or Alaska Native	40
Native Hawaiian/Other Pacific Islander	6
Two or More Races	141
Economically Disadvantaged	19,234
Limited English Proficient	8,058
Special Education	2,153
At-Risk	15,207

Galena Park I.S.D. provides a family atmosphere for more than 3,200 employees in the district. On average, teachers in Galena Park I.S.D. have ten years of experience with turnover rates at 13%. Salaries are competitive with neighboring districts and opportunities to be promoted within the district are available to those who aspire to become administrators or counselors as the Aspiring Administrators/Counselors Academy and professional development is provided. Teacher student ratios are low at 16:2 and support for teachers is considerable with each campus having language arts, math, and science specialists and the district also providing support with district-level social studies, bilingual/ESL, and special education specialists.

Student Learning

Student Learning Summary

**Due to COVID-19 STAAR cancellations, 2020 data does not exist.*

The following is a summary of student data from 2018 STAAR assessments to 2019 STAAR assessments.

- Reading Approaches grade level scores remained relatively the same in grades 3, 5, and 6, but increased in grades 4, 7, and 8.
- Reading Meets grade level scores increased in grades 3, 4, 7 and 8, with grades 5 and 6 decreasing.
- Reading Masters grade level scores increased in grades 3, 5, and 8, with decreases in grades 4, 6, and 7.
- Writing Approaches grade level scores increased in both grade 4 and grade 7; Meets decreased; and Masters remained relatively the same.
- Math Approaches grade level scores remained relatively the same in grade 3 and 8. decreased in grades 4 and 5, and increased in grades 6 and 7.
- Math Meets grade level scores decreased in elementary and increased in middle school.
- Math Masters grade level scores remained relatively the same in grades 3, 4, 6, and 7 with increased in grade 5 and 6.
- Science Approaches grade level scores decreased in grade 5 and increased in grade 8.
- Science Meets grade level scores increased in both grades 5 and 8.
- Science Masters grade level scores increased in grade 5 and decreased in grade 8.
- Social Studies Approaches, Meets, and Masters scores all increased considerably in grade 8.
- English I and II EOC scores increased for Galena Park High School and remained relatively the same for North Shore Senior High.
- Algebra I EOC scores improved for both high schools and continued to hold steady at all middle schools.
- Biology EOC scores saw improvements in the Meets and Masters grade level scores for both Galena Park High and North Shore Senior High.
- US History EOC scores remained relatively the same for North Shore Senior, but increased significantly for Galena Park High School.

Student Learning Strengths

**Due to COVID-19 STAAR cancellations, 2020 data does not exist.*

Galena Park I.S.D. campuses earned several STAAR / EOC distinction designations in 2018 - 2019. The chart below outlines the number of distinctions earned for each category.

Academic Achievement in:				Top 25%, Academic Growth	Top 25%, Closing the Gap	Top 25% Post-Sec. Readiness
Reading / ELA	Mathematics	Science	Social Studies			
8	7	5	3	7	9	6

The number of students participating in the Dual Credit Program has grown significantly over the past several years. The chart below provides a summary of the growth in dual credit enrollment in Galena Park I.S.D. since 2017. For 2019-2020, 11 students graduated with the Associate of Arts degree and 15 graduated with the Associate of Applied Science degree from San Jacinto College. Seventy three students earned the technical certifications in a variety of fields. Over 12,666 college credit hours were earned by the students.

Dual Credit Course Offerings				
	2017	2018	2019	2020
Students in 9th grade	129	125	125	142
Students in 10th grade	0	122	123	120
Students in 11th grade	195	284	444	473
Students in 12th grade	197	237	426	399
Total Students	521	768	1118	1134

- GPISD is proud to recognize the outstanding accomplishments of students who have been selected to the Texas Music Educators Association All-State band, All-State choir or All-State orchestra. Over the past three years GPHS had 15 students and North Shore Senior High had 10 students recognized as All-State members.
- North Shore Senior High has a strong athletic program for both their boys and girls teams having advanced to regionals in several areas over the past five years. Several of these athletes have earned college athletic scholarships.

District Processes & Programs

District Processes & Programs Summary

Overall, the District does a great job with recruiting efforts; however, there is a need to continue focus on the critical shortage areas. Galena Park I.S.D. provided employees with a 1.5% general salary increase for the 2020 - 2021 school year. In addition, salary equity adjustments were made to administrators at various steps in the salary schedule.

Based on research and best practice, the district has designed and deployed a state-aligned curriculum that is learner - centered. Data-driven decisions for improvement in written curriculum and instructional methodologies are based on state and local assessments. Intentional efforts and processes will be employed to increase fidelity of curriculum implementation and instructional best practices. Embedded professional development and analysis of data will continue to provide the basis for monitoring accountability progress at the district and campus levels. Building instructional leadership capacity of campus and district staff that is focused on academic goals and student achievement is a priority.

The Technology Department believes engaging our students in exciting lessons that explore and incorporate higher level thinking skills ensures success for all students. Providing students with blended learning opportunities and technology integrations allows for students to utilize the technological resources which promote engaging, meaningful learning.

Providing technology resources, support and training for student and business software is also important as we ensure employees are productive and utilizing resources that allows for the greatest degrees of accuracy and efficiency in day-to-day tasks.

District Processes & Programs Strengths

District strengths include:

- District continues to offer competitive salaries
 - Offers signing bonuses & stipends
 - Increased recruiting efforts in both state and out-of-state
 - District Teacher Job Fair
 - District Auxiliary Job Fair
 - Mentor Teacher Program
 - Aligns curriculum and assessments to state standards to ensure the appropriate level of rigor
 - Provides support for campus-based professional development to ensure proper implementation of curriculum and pedagogy
-
- Incorporates assessment data to identify and address strengths, weaknesses and gaps in the curriculum at the district and campus level
 - Provides for quality professional development with a focus on high need areas
 - Imbeds multiple opportunities for student learning and recognition beyond the classroom (iStation contests, Fast on Facts, Spelling Bee, Geography Bee, S3, Science Fair)
 - Provides tutorial services such as Saturday tutorials, 21st Century Community Learning Centers, and after school campus tutorials
 - Amount of equipment available and the growth of mobile devices
 - Curriculum including technology projects and resources as part of their scope and sequence
 - Curriculum and Technology are providing staff development, lessons and resources on how to integrate technology to enhance learning
 - Implementation of Individual Technology Goals (ITG) allowed us to individualize learning for teachers
 - Provide required and individualized training

- Support personnel, planning and training for Student and Business software is in place
- On-Line training for all areas is provided on the technology web page

Perceptions

Perceptions Summary

Research-based practices are used to encourage positive results to ensure safe, civil, and productive schools. Every campus has a foundations/Positive Behavior Intervention Support (PBIS) team. PBIS teams act as campus climate monitors they meet to look at attendance, behavior, and academic data to recognize students and staff through positive motivational systems. PBIS teams use a multi-tiered system of support that includes Tier I - school wide interventions, Tier II classroom interventions, and Tier III individual student support. This positive, proactive, tiered system of support addresses in advance the most common misbehaviors. A teacher equity representative and a No Place for Hate representative will become a part of future PBIS teams. Their role is to find disparities in discipline data or over representation of subgroups represented in ISS in school suspension (ISS) and Out of school suspension (OSS).

For the past three years there has been an over representation of African American males sent to Discipline Alternative Education Program (DAEP). Galena Park ISD has implemented a Boys' and Girls' Club program on every campus. This mentoring program is to offer identified students an appropriate staff role model to help students with decision making, goal setting and conflict resolution. Every mentor has a handbook of research-based strategies to support positive interactions and positive mentoring.

Climate surveys are administered to students, staff, and parents annually. Teacher perceptions of students have differed slightly from student perceptions. PBIS teams disaggregate the data and follow up with a common area assessment to collect data. The data is shared with staff to develop action plans.

New teachers are supported through current professional development and CHAMPS classroom management training. In addition, they are assigned a mentor teacher to visit and follow up with in their classrooms. They are observed and receive feedback from veteran educators. According to last years' climate survey 90% of staff said they feel that their campus provides a caring and supportive environment for them. 97% of staff indicated staff care about students.

Based on research, legislation, and best practices, the district complies with all corresponding laws and guidelines regarding Parent Involvement, and is especially strong in getting parents involved at the district and campus levels. We have a very active Community Council PTA, and will continue to provide support through this avenue, in addition to providing campuses with supplies, materials, and support made possible through the use of our Title I Part A funding. At our annual district-wide Parent Involvement meeting in September, parents are recruited to serve on the District Parent Advisory Board and the School Health Services Advisory Committee. Student, parent and family feedback and suggestions are gathered through the annual Climate Survey, as well as the annual Parent and Family Engagement Survey, to make the District as responsive as possible to the needs of our stakeholders.

Perceptions Strengths

District strengths include:

- District wide Mentoring Program (Boys and Girls Clubs)
- Consistent Discipline Management Program
- PBIS Teams on every campus
- Culture and Climate Department

- Character Education Program
- Tolerance & Inclusionary Staff Training
- No Place for Hate District wide Initiative
- Focus on Social Emotional Learning
- Parent participation in district and campus site-based planning and decision-making
- Effective communication tools/resources (facebook, Twitter, BlackBoard ParentLink, School Status, Remind, newsletters)
- Communication translated (oral and written)
- Partnership with Harris County Department of Education (HCDE)
- Partnership with Communities in Schools (CIS)
- Community Leadership Council
- Partnership with local ministers
- Partnership with retired educators
- Parents and students utilize Facebook as a means of private contact when in need of answers. They receive answers within 24 hours and appreciate having their concerns addressed.
- The district web page is updated daily
- The team takes over 50,000 pictures per school year and shares with departments, campuses and teams following each event.
- The Galena Park Schools (GPS) newsletter is produced 3 times per year.
- Stories are submitted to the *North Channel Star* weekly.
- GPISD's Fathers Take Your Children to School Day is an annual event.
- We were notified by TEA that our district had the most Heroes for Children nominations statewide. We have had 4 winners in the last 6 years.
- The Communications Department publishes a monthly feature on Social Media highlighting student and staff accomplishments, called "Did You Know?"

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data

Student Data: Assessments

- STAAR End-of-Course current and longitudinal results, including all versions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- SAT and/or ACT assessment data
- Local benchmark or common assessments data

Student Data: Student Groups

- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

Goals

Goal 1: The District will provide a safe, productive and healthy learning/ working environment for students and staff.

Performance Objective 1: Provide regular communication/recognition for students, parents, staff, and campuses.

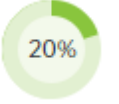

Strategy 1: Distribute monthly parent/community newsletters (email, Facebook, Blackboard ParentLink, mobile app, webpage). Strategy's Expected Result/Impact: A well-informed school community Staff Responsible for Monitoring: Communication Services	Reviews			
	Formative			Summative
	Oct	Dec	Feb	May
Strategy 2: Distribute monthly employee newsletters (email, text message). Strategy's Expected Result/Impact: A well-informed staff Staff Responsible for Monitoring: Communication Services	Reviews			
	Formative			Summative
	Oct	Dec	Feb	May
Strategy 3: Distribute weekly administrator bulletin (News You Can Use - The Week Ahead At-A-Glance). Strategy's Expected Result/Impact: A useful planning tool to remind administrators of timelines, tasks, and approaching deadlines, as well as school and District events. Staff Responsible for Monitoring: Communication Services	Reviews			
	Formative			Summative
	Oct	Dec	Feb	May
Strategy 4: Daily Facebook/Twitter posts highlighting students, parents, staff and/or campus achievements. Strategy's Expected Result/Impact: Social Media Posts highlighting positive student, parent, staff, and/or campus achievements Staff Responsible for Monitoring: Communication Services	Reviews			
	Formative			Summative
	Oct	Dec	Feb	May
Strategy 5: Write and distribute recognition stories on Facebook / Twitter, District webpage and in local newspapers. Strategy's Expected Result/Impact: Positive news coverage of student, school, and District achievements and/or accomplishments. Staff Responsible for Monitoring: Communication Services	Reviews			
	Formative			Summative
	Oct	Dec	Feb	May
Strategy 6: Recognize parent volunteers at monthly Board of Trustees meetings. Strategy's Expected Result/Impact: Parent volunteer public recognition Staff Responsible for Monitoring: Communication Services	Reviews			
	Formative			Summative
	Oct	Dec	Feb	May

Strategy 7: Recognize employees (Excellent Educators) at the Dazzling Diamonds Gala. Strategy's Expected Result/Impact: Nomination Process to recognize outstanding educators from a student perspective Staff Responsible for Monitoring: Communication Services	Reviews			
	Formative			Summative
	Oct	Dec	Feb	May
Strategy 8: Ensure all outgoing District information is provided in English and Spanish. Strategy's Expected Result/Impact: Effective communication of District information to all stakeholders. Staff Responsible for Monitoring: Communication Services	Reviews			
	Formative			Summative
	Oct	Dec	Feb	May
 No Progress  Accomplished  Continue/Modify  Discontinue				

Goal 1: The District will provide a safe, productive and healthy learning/ working environment for students and staff.

Performance Objective 2: Teach safety practices and protocols to students and staff.

Evaluation Data Sources: Foundations Surveys, Professional Development Surveys

<p>Strategy 1: Instructional Technology will provide and teach online safety through Digital Literacy curriculum for students in grades K-12. Strategy's Expected Result/Impact: Curriculum taught at each grade level for all students. Staff Responsible for Monitoring: Technology</p>	Reviews			
	Formative			Summative
	Oct	Dec	Feb	May
				
<p>Strategy 2: An Internet Safety Poster contest will be held for students in grades K-12. Strategy's Expected Result/Impact: Internet Safety Poster contest advertised and held. Staff Responsible for Monitoring: Technology</p>	Reviews			
	Formative			Summative
	Oct	Dec	Feb	May
				
<p>Strategy 3: The district will renew certification as a Common Sense Digital Citizenship District. Strategy's Expected Result/Impact: Complete all requirements for Digital Citizenship certification. Staff Responsible for Monitoring: Technology</p>	Reviews			
	Formative			Summative
	Oct	Dec	Feb	May
