Galena Park Independent School District

Green Valley Elementary School

2019-2020 Campus Improvement Plan

Accountability Rating: C

Mission Statement

Green Valley is committed to inspiring students to achieve the highest standards and intellectual and personal development through a caring and stimulating learner centered environment.

Vision

At Green Valley, we create an environment to motivate creativity, ignite enthusiasm, and promote safe learning.

Campus Profile

Where We Have Been:

A. History of Campus

Green Valley Elementary is one of fifteen elementary campuses in Galena Park Independent School District. Green Valley Elementary opened its doors in 1958 and serves predominantly minority, economically disadvantaged families. Green Valley sits among many apartment complexes and a few single homes on the east side of Houston. Each year, we experience much change as our students tend to move in and out of the area.

Currently, Green Valley serves approximately 763 students in grades PPCD three year old program to grade five. Green Valley serves students in both self-contained classrooms and team teaching arrangements. Inclusion is an integral part of our special education programs, providing the least restrictive environment as much as possible. Students identified as English Language Learners are served in a One-Way Dual Language Program.

B. Attendance

Green Valley's enrollment continued to increase over the last few years. Green Valley's current average daily attendance is:

2016 - 2017 ADA: 96.47

2017 - 2018 ADA: 96.14

2018 - 2019 ADA: 96.52

C. Academic Performance History

In 2016-2017, Green Valley received the following accountability: Met Standard; Distinction Designations; ELA/Reading; Post Secondary Readiness; and Top 25% Closing Performance Gap.

In 2017-2018, Green Valley received the following accountability: Met Standard; Distinction Designations; Post Secondary Readiness; and Top 25% Closing Performance Gap.

In 2018-2019, Green Valley received the following grade on the State Accountability - C.

D. State Testing Demographics For Campus

Overall STAAR Scores

Year	Reading	Math	Writing	Science
2016-2017	77.4%	81.3%	63.5%	68%
2017-2018	73%	84%	67%	73%
2018-2019	75%	74.3%	60%	70%

Where We Are Now:

A. Demographics:

- English Language Learners- 33%
- Identified disabled through Special Education- 11%
- African American-30.67%
- Hispanic- 63.04 %
- White- 4.19%
- American Indian- 0.13%
- Asian- 0.13%
- Pacific Islander- 0%
- Two or More Races- 1.83%
- Economically Disadvantaged 88%
- Homeless- 4%
- 100% of Green Valley's staff is highly qualified.

B. Current Programs

Our School-wide Title I program consisted of parental involvement activities, after school tutorials, an early intervention teacher, an instructional coach, and a counselor. Our State Compensatory Program utilizes instructional coaches to train teachers in best practices for assisting at-risk students. Our dyslexia teacher is also utilized to work specifically with our dyslexic students. Our Title III Program provides a One Way Dual Language model of instruction for

students in grades K-5, provided by our bilingual teachers and bilingual instructional coach. The campus intervention program (Response to Intervention) identifies students who are below grade level, and provides intervention such as istation and iready. The Special Education programs on campus consist of a PPCD Program for three year old students, a Life Skills class for the lowest functioning students, Speech Therapy targeting articulation and language disorders, and Resource/Inclusion for our learning disabled students accessing grade level curriculum. The campus also has a PASS Program to serve students with emotional and behavioral issues. Teachers work diligently to incorporate technology into their curriculum and instruction. Two computer labs are provided, along with a mobile lab for student use in the classroom. Students participate in multimedia festivals and computer projects on campus during the school year. In addition, the campus gifted and talented program consists of a Journeys and an Encounters group of students. Journeys students complete curriculum based projects that expand the topics for a deeper understanding of the information. Encounters students attend an off campus program weekly that focuses on critical thinking and research based learning. All of these programs have proven to be effective as we have shown growth in all areas.

C. Needs Assessment Survey Results

According to our most recent student survey, 95% of our students feel safe in the classrooms. 96% of the students feel that the adults on campus care about them. 97% of students feel that the adults on campus are helpful to them. Only 76% of students stated that they felt safe in common areas of the school, such as the restrooms and playground. Only 60% of students stated that students treat each other respectfully at the playground and in the cafeteria.

According the parent survey, 98% of parents felt welcomed on campus. 98% of parents agreed that information is sent home in a format that is easy to understand. 87% of parents stated they were given adequate information regarding parent involvement activities on the campus. Nearly 28% of parents stated there are barriers, such as working, other young children,and schedules, that prevent them form attending parent involvement activities.

According to the staff survey, 85% of the staff stated teachers have access to data and know how to use it when making instructional decisions. 90% of staff feels that administration has high expectations of teachers. 94% of staff members believe there are good strategies in place to promote staff attendance. Only 60% of staff believe there is a high quality of family and community support for the school. 49% of the staff believes the campus' top focus should be school wide discipline.

Eighty-five percent of staff felt that professional development, faculty meetings and grade level meetings are focused on improvement.

Where We Are Going

A. Needs Assessment Survey

Based on the staff Needs Assessment survey, we will conduct staff development during the 2019 -2020 school year in the following areas:

- Team Building Activities
- Guided Reading/Guided Math
- Writing
- School-wide Discipline/CHAMPS
- CPI Training
- Differentiation

- Student Engagement
- Kagan

B. Campus Survey

The campus will also focus on the following areas highlighted in the campus survey:

- A safe and positive working and learning environment
- The core curriculum with an emphasis on intervention services and special programs.
- Attendance of students and staff.
- Parent Education

Table of Contents

Comprehensive Needs Assessment

Demographics

Demographics Summary

Green Valley Elementary School sits among many apartment complexes and a few single homes on the east side of Houston. Each year, we experience much change as our students tend to move in and out of the area. The student mobility rate is 24.5%. Green Valley's enrollment fluctuates throughout the year. In 2018, the enrollment was at 763 students. Due to the high mobility, we still have a high number of at-risk students. Sixty-four percent of our students are at-risk. Many of our new students are identified as at-risk or in need of special programs. Eighty-eight percent of our students are economically disadvantaged. The ethnic breakdown of our student population is as follows:

African American-30.67%
Hispanic- 63.04 %
White- 4.19%
American Indian- 0.13%
Asian- 0.13%
Pacific Islander- 0%
Two or More Races- 1.83%

Attendance/Dropout/ Completion Rate, College Readiness Data

School Year	Attendance Percentage
16-17	96.47%
17-18	96.14%
18-19	96.52%

The Demographic committee met and reviewed 2017-2018 absences and current 2018-2019 data. After reviewing the data and discussing past tends our committee determined that we did not meet the state attendance goal of 96.5% due to there being a lack of parental involvement. This is an area of need because it impacts our attendance and the learning of all students. We have found that many parents lack the understanding between the correlation of attendance and academic achievement. However, we determined that by educating our parents and sharing our campus attendance expectations, we can increase their involvement, improve our attendance rates, and in correlation increase student achievement. Likewise, a lack of consequences for students and parents in relation to tardies has been identified. The excessive number of tardies has caused an increase in disciplinary issues and negative classroom climate.

Demographics Strengths

Strengths discussed by the committee include the following:

- Support for new teachers
- Smaller teacher student ratio
- Improved attendance with incentives
- Monitoring system in place to combat student attendance issues

Problem Statements Identifying Demographics Needs

Problem Statement 1: GVE did not meet the attendance goal of 96.5% **Root Cause**: Many of our parents have many hardships that we can't control. Due to these circumstances, they sometimes don't prioritize education. Some of our parents don't understand the impact absenteeism has on their child.

Problem Statement 2: The problem identified by the Demographics Committee is that there are numerous students who are tardy everyday. **Root Cause**: The root cause of this problem is lack of student and parent knowledge of campus expectations.

Student Academic Achievement

Student Academic Achievement Summary

The committee looked at the end of the years district and campus assessments, campus survey, TAPR Report, and teacher input. As a results, we found students are not mastering grade level expectations. We determined that by differentiating instruction, setting high expectations, and unpacking the TEKS to produce rigorous and relevant instruction will allow teachers to improve student growth. While reading and writing was a campus, district, and state focus for the 2018-2019 school year we have determined that a gap between reading and writing still exists. There are still many areas where change is needed in order to continue to increase student success.

Student Academic Achievement Strengths

The Student Academic Achievement Committee identified the following as some of our campus strengths:

- Tutorials are readily available
- Support is provided by staff
- Plenty of English academic resources
- Prompt of identification of RTI students
- Relevant staff development is provided

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: Our campus demonstrates academic gaps in reading and writing for all students. **Root Cause**: This problem is due to the lack of vertical alignment, content-based knowledge, and consistency.

Problem Statement 2: Teachers are inconsistent with differentiating during small groups. **Root Cause**: The root cause for this problem is present due to the lack of knowledge of differentiation strategies, misconceptions, consistency in the implementation of small groups, rigor can be subjective, lack of planning time, resources, and procedural components for small groups.

School Processes & Programs

School Processes & Programs Summary

The school processes and programs for Green Valley Elementary School provide students and parents with opportunities to participate in programs that promote social and academic development. Some of the programs available on our campus are led by our counselor to increase parent involvement, provide crisis intervention, and foster community involvement. These programs include Pennies for Patients, Character Education Medal of Honor, Red Ribbon Week, and College and Career Awareness. Other programs available on our campus also consist of the Boys Club (Dukes), Girls Club (Duchess), Robotics, and Academic Decathlon. Among these activities other experiences provide students with opportunities to get involved in in-school and after-school activities provided by ACE, Community in Schools, and our special rotations staff.

School Processes & Programs Strengths

The School Processes & Programs Committee met and determined the following as current strengths on our campus:

- Access to data
- Professional development opportunities
- Family and community support is at 60%
- Parents informed of student progress
- ACE after school program

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: After reviewing the data for processes and programs, we determined that we are inconsistent with the use and implementation of CHAMPS. **Root Cause**: The root cause is that teachers are not following through with CHAMPS guidelines.

Problem Statement 2: After reviewing the data we have determined that our Foundations Committee is inconsistent with meeting and planning to minimize campus problems causing a decrease in positive school culture and employee morale. **Root Cause**: The root causes for this problem is due to the lack of consistency, accountability, and priority.

Perceptions

Perceptions Summary

Green Valley Elementary School ensures that our stakeholders, students, and faculty feel welcomed. Here our parents feel welcomed and teachers provide immediate feedback and response to their phone calls. The Perceptions Committee analyzed the parent survey completed for the 2018-2019 school year. According to the survey not only do parents feel welcomed and well informed through an array of communications forms, but 89.88% appreciate the flexibility we provide as a campus for parent meetings. Therefore, as a campus we strive to develop a student and parent culture of open-mindedness and support while ensuring our actions are consistently aligned with our vision, values, mission, and beliefs.

Perceptions Strengths

Through further analysis of the teacher/staff survey, parent survey, and attendance we have identified the following strengths:

- Parents feel welcomed
- Bullying has been reduced
- A weekly focus for staff is present
- Communication is increased through a monthly principal newsletter
- We have a low number of crisis situations
- There are procedures in place for behavior (CHAMPS), order (STEPS), and communication.
- There are clubs or organizations in place to develop the culture of our campus.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: After reviewing the data we have determined that campus-wide communication with staff and parents need to be provided in a timely manner. **Root Cause**: The cause of such problem derives from the inconsistent and unclear expectations on how, when, and why timely communication is of importance for our campus to succeed.

Problem Statement 2: We need to provide more opportunities for family and community involvement. **Root Cause**: The root cause is due to the need for improved planning and consistency.

Priority Problem Statements

Problem Statement 1: After reviewing the data we have determined that campus-wide communication with staff and parents need to be provided in a timely manner.

Root Cause 1: The cause of such problem derives from the inconsistent and unclear expectations on how, when, and why timely communication is of importance for our campus to succeed.

Problem Statement 1 Areas: Perceptions

Problem Statement 2: GVE did not meet the attendance goal of 96.5%

Root Cause 2: Many of our parents have many hardships that we can't control. Due to these circumstances, they sometimes don't prioritize education. Some of our parents don't understand the impact absenteeism has on their child.

Problem Statement 2 Areas: Demographics

Problem Statement 3: The problem identified by the Demographics Committee is that there are numerous students who are tardy everyday.

Root Cause 3: The root cause of this problem is lack of student and parent knowledge of campus expectations.

Problem Statement 3 Areas: Demographics

Problem Statement 4: Our campus demonstrates academic gaps in reading and writing for all students.

Root Cause 4: This problem is due to the lack of vertical alignment, content-based knowledge, and consistency.

Problem Statement 4 Areas: Student Academic Achievement

Problem Statement 5: Teachers are inconsistent with differentiating during small groups.

Root Cause 5: The root cause for this problem is present due to the lack of knowledge of differentiation strategies, misconceptions, consistency in the implementation of small groups, rigor can be subjective, lack of planning time, resources, and procedural components for small groups.

Problem Statement 5 Areas: Student Academic Achievement

Problem Statement 6: After reviewing the data for processes and programs, we determined that we are inconsistent with the use and implementation of CHAMPS.

Root Cause 6: The root cause is that teachers are not following through with CHAMPS guidelines.

Problem Statement 6 Areas: School Processes & Programs

Problem Statement 7: After reviewing the data we have determined that our Foundations Committee is inconsistent with meeting and planning to minimize campus problems causing a decrease in positive school culture and employee morale.

Root Cause 7: The root causes for this problem is due to the lack of consistency, accountability, and priority.

Problem Statement 7 Areas: School Processes & Programs

Problem Statement 8: We need to provide more opportunities for family and community involvement.

Root Cause 8: The root cause is due to the need for improved planning and consistency.

Problem Statement 8 Areas: Perceptions

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus Performance Objectives Summative Review from previous year
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Federal Report Card Data

Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR Released Test Questions
- STAAR EL Progress Measure data
- Texas English Language Proficiency Assessment System (TELPAS) results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Student Success Initiative (SSI) data for Grades 5 and 8
- SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
- Running Records results
- Observation Survey results
- Istation Indicators of Progress (ISIP) reading assessment data for Grades PK-2

Student Data: Student Groups

- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- EL/non-EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, and gender data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- School safety data

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Budgets/entitlements and expenditures data
- Study of best practices

Goals

Goal 1: Green Valley will provide effective communication to promote a safe, productive and healthy learning/working environment for students and staff.

Performance Objective 1: Provide regular communication and recognition for students, parents, and staff.

Evaluation Data Source(s) 1: Parents, students, and staff will be informed of the activities, procedures, and events happening at Green Valley.

Summative Evaluation 1: Met Performance Objective

Targeted or ESF High Priority

Next Year's Recommendation 1: We will continue to provide regular communication in Eng. & Spanish.

Performance Objective 2 Problem Statements:

Demographics
Problem Statement 1: GVE did not meet the attendance goal of 96.5% **Root Cause 1**: Many of our parents have many hardships that we can't control. Due to these circumstances, they sometimes don't prioritize education. Some of our parents don't understand the impact absenteeism has on their child.

Student Academic Achievement
Problem Statement 1: Our campus demonstrates academic gaps in reading and writing for all students. **Root Cause 1**: This problem is due to the lack of vertical alignment, content-based knowledge, and consistency.
Problem Statement 2: Teachers are inconsistent with differentiating during small groups. **Root Cause 2**: The root cause for this problem is present due to the lack of knowledge of differentiation strategies, misconceptions, consistency in the implementation of small groups, rigor can be subjective, lack of planning time, resources, and procedural components for small groups.

School Processes & Programs

Problem Statement 1: After reviewing the data for processes and programs, we determined that we are inconsistent with the use and implementation of CHAMPS. **Root Cause 1**: The root cause is that teachers are not following through with CHAMPS guidelines.

Problem Statement 2: After reviewing the data we have determined that our Foundations Committee is inconsistent with meeting and planning to minimize campus problems causing a decrease in positive school culture and employee morale. **Root Cause 2**: The root causes for this problem is due to the lack of consistency, accountability, and priority.

Perceptions

Problem Statement 1: After reviewing the data we have determined that campus-wide communication with staff and parents need to be provided in a timely manner. **Root Cause 1**: The cause of such problem derives from the inconsistent and unclear expectations on how, when, and why timely communication is of importance for our campus to succeed.

Problem Statement 2: We need to provide more opportunities for family and community involvement. **Root Cause 2**: The root cause is due to the need for improved planning and consistency.

Goal 2: Green Valley will provide information and opportunities to assist student in preparing for college and career opportunities.

Performance Objective 1: Increase success rate of students achieving college and career readiness indicators.

Evaluation Data Source(s) 1: Students will be provided with rigorous instruction to increase college readiness.

Summative Evaluation 1: Significant progress made toward meeting Performance Objective

Targeted or ESF High Priority

Next Year's Recommendation 1: We will continue to provide HOTS and challenge them to think outside the box.

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Reviews

100% = Accomplished	→ = Continue/Modify	0% = No Progress	✕ = Discontinue				

Performance Objective 2 Problem Statements:

School Processes & Programs
Problem Statement 2: After reviewing the data we have determined that our Foundations Committee is inconsistent with meeting and planning to minimize campus problems causing a decrease in positive school culture and employee morale. **Root Cause 2**: The root causes for this problem is due to the lack of consistency, accountability, and priority.

Perceptions
Problem Statement 1: After reviewing the data we have determined that campus-wide communication with staff and parents need to be provided in a timely manner. **Root Cause 1**: The cause of such problem derives from the inconsistent and unclear expectations on how, when, and why timely communication is of importance for our campus to succeed.
Problem Statement 2: We need to provide more opportunities for family and community involvement. **Root Cause 2**: The root cause is due to the need for improved planning and consistency.

Goal 3: Green Valley will ensure student growth in the tested areas.

Performance Objective 1: Build instructional capacity through coaching (instructional support) and professional development in order to provide students with high quality instruction that is student-centered and integrates technology.

Evaluation Data Source(s) 1: Meet or exceed the state average in all tested areas.

Summative Evaluation 1: Met Performance Objective

Targeted or ESF High Priority

Next Year's Recommendation 1: We will continue to purchase chrome books for students.

100% = Accomplished	→ = Continue/Modify	0% = No Progress	✕ = Discontinue

Performance Objective 1 Problem Statements:

Student Academic Achievement
Problem Statement 1: Our campus demonstrates academic gaps in reading and writing for all students. **Root Cause 1**: This problem is due to the lack of vertical alignment, content-based knowledge, and consistency.

Goal 3: Green Valley will ensure student growth in the tested areas.

Performance Objective 2: Sped Education teachers will attend and contribute to weekly grade level planning, track sped students' classroom grades and assessments to drive instruction, "push in" daily to support the student and teacher with instruction, actively participate with activities and lessons, identify the students' strengths and weaknesses to differentiate instruction, and provide tutorials.

Evaluation Data Source(s) 2: Meet or exceed the state average in all tested areas for special populations: Special Education.

Summative Evaluation 2: Met Performance Objective

Targeted or ESF High Priority

Next Year's Recommendation 2: Sped teachers will attend grade level meetings, track Sped. students differentiate instruction.

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Reviews

	Problem Statements: Demographics 1, 2 **Funding Sources**: 199 - Local - 140.00						

100% = Accomplished	→ = Continue/Modify	0% = No Progress	✕ = Discontinue

Performance Objective 1 Problem Statements:

Demographics
Problem Statement 1: GVE did not meet the attendance goal of 96.5% **Root Cause 1**: Many of our parents have many hardships that we can't control. Due to these circumstances, they sometimes don't prioritize education. Some of our parents don't understand the impact absenteeism has on their child.
Problem Statement 2: The problem identified by the Demographics Committee is that there are numerous students who are tardy everyday. **Root Cause 2**: The root cause of this problem is lack of student and parent knowledge of campus expectations.

Goal 9: Green Valley will achieve a 97% or higher student attendance rate, utilizing the $3,266 Attendance Incentive Plan allotment.

Performance Objective 2: Increase student attendance percentage from 96.98% to 97% or higher for the 3rd 6 Weeks Period.

Evaluation Data Source(s) 2: Increased student attendance on PEIMS Report. Data sources will include Raa Wee, School Status, and Skyward.

Summative Evaluation 2: Significant progress made toward meeting Performance Objective

Targeted or ESF High Priority

Performance Objective 3 Problem Statements:

Demographics
Problem Statement 1: GVE did not meet the attendance goal of 96.5% **Root Cause 1**: Many of our parents have many hardships that we can't control. Due to these circumstances, they sometimes don't prioritize education. Some of our parents don't understand the impact absenteeism has on their child.

Goal 9: Green Valley will achieve a 97% or higher student attendance rate, utilizing the $3,266 Attendance Incentive Plan allotment.

Performance Objective 4: Increase student attendance percentage from 96.19 % to 97% or higher for the 5th 6 Weeks Period. Data sources will include Raa Wee, School Status, and Skyward.

Evaluation Data Source(s) 4: Increased student attendance on PEIMS Report.

Summative Evaluation 4:

Targeted or ESF High Priority

Next Year's Recommendation 4: We will continue to promote student attendance during the 2020-2021 school year. Our goal will be 96.5% for the upcoming year.

Demographics
Problem Statement 1: GVE did not meet the attendance goal of 96.5% **Root Cause 1**: Many of our parents have many hardships that we can't control. Due to these circumstances, they sometimes don't prioritize education. Some of our parents don't understand the impact absenteeism has on their child.

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

A comprehensive needs assessment is given to all stakeholders at our campus. Our School-wide Title I program consists of 100% highly qualified staff members who provide on-going staff development. We utilize instructional coaches to model lessons and to provide staff development to teachers. They incorporate best practices for assisting at-risk students. Our dyslexia teacher and our interventionist works specifically with our dyslexic students and students having difficulty academically. After school tutorials and in school tutorials are provided for all students who are at-risk of failing. Our school counselor provides for various parental involvement activities and guidance counseling to students and staff in need of assistance.

Surveys were administered to staff, students, and parents. Goals were established based on the needs assessment and deficits. The teachers felt that discipline was a problem at our campus. Based on our survey we modified our campus discipline plan. We will incorporate CHAMPS and STEPS to ensure a safe learning environment. In addition, we will utilize In school Suspension program to redirect student behavior.

Based on the parent survey we will continue with our educational parent programs and alternate the times the session are provided, so that more parents can attend.

The CNA was reviewed and revised on May 15, 2018 by the staff.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

The CIP was development with all stakeholders (parents, students, teacher staff & administrators) to ensure everyone had input in the developing of our CIP. The campus reviewed the surveys administered to the students, staff and administrators. Based on our needs assessment our CIP was developed. The staff met numerous times throughout the year to develop our goals, performance objectives and strategies. All goals are aligned to the district goals.

Our committees and roles were divided among the staff. The list can be found in the Committee Setup tab.

2.2: Regular monitoring and revision

The Campus Improvement Plan is a working document. The campus reviews the CIP quarterly to monitor the strategies being implemented. As we review the plan throughout the year changes are made as needed. The committed reviewed and evaluated the CIP plan on 9/27 and 11/5. (See Committee tab)

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

Student Achievement

Committee Role	Name	Position
Classroom Teacher	Margarita Gomez	Teacher
