## Demographics

### Demographics Summary

Normandy Crossing Elementary is one of fifteen elementary campuses in Galena Park Independent School District. Normandy Crossing Elementary opened its doors in 2003 and serves predominantly economically disadvantaged families. Normandy Crossing Elementary serves 663 students in grades pre-kindergarten to grade five. Ten years ago, 560 students were served by the campus, an increase of over 18%. Normandy Crossing Elementary is made up of a combination of self-contained and team teaching classrooms. Normandy Crossing hosts Structured Learning and PASS Student Behavior Program for GPISD.

Our student population is approximately 57% Hispanic and 38% African-American. We serve 88.1% Economically Disadvantaged students. The staff population is 41.5% African-American, 19.5% White, 2.4% American Indian, 36.6% Hispanic, 9.8% male and 90.2% female with an average of 6.9 years of experience. 100% of Highly Qualified teachers and paraprofessionals. The overall mobility rate for the campus is approximately 18.5%. The average daily attendance rate for students is approximately at 96.47% for 2018-2019. Discipline in 2018-2019 decreased 4% from 2017-2018 school year's discipline.

### Demographics Strengths

- Extracurricular Activities/Programs (ACE, Boys Club, Honor Choir, Robotics, UIL Academic Meet)
- Community Involvement (STREAM Night, Wax Museum, Literacy Night)
- Free Breakfast and Lunch for all students
- Interventions with Instructional Coaches for RTI

### Problem Statements Identifying Demographics Needs

**Problem Statement 1:** NCE students met district average in attendance percentages at 96.6%, but Pre-K, Kinder, and 1st grade had the lowest attendance percentages. **Root Cause:** Illnesses due to new to school, lack of motivation, and/or lack of parents' knowledge of how attendance affects learning in the lower grades

**Problem Statement 2:** Due to a high mobility rate, as compared to other GPISD elementary campuses, newly enrolled students would benefit from interventions that familiarize them with academic and behavior expectations. **Root Cause:** Student mobility, instructional gaps, behavior

**Problem Statement 3:** NCE students who are "Placed" in the next grade level and may have some deficits, but not enough to be retained are not offered a summer school opportunity. **Root Cause:** Summer school opportunities are limited to Title III or SSI programs, funding

# Student Academic Achievement

## Student Academic Achievement Summary

Preliminary 2018-2019 STAAR results show that Normandy Crossing Elementary achieved "**Met Standard**" on state assessments. 74% of our students met "Approaches Grade Level Standard" or above in reading. For mathematics, 85% of students met "Approaches Grade Level Standard" or above. In writing, 65% met "Approaches Grade Level Standard" or above. In science, 73% met "Approaches Grade Level Standard" or above. Normandy Crossing received 3 Distinctions in the areas of Academic Achievement in Reading, Top 25 Percent Closing Performance Gaps, and Postsecondary Readiness.

## Student Academic Achievement Strengths

- Teachers provide guided reading and math small group interventions
- Technology integration through Istation, Stemscores, iReady, etc.
- Coaching and planning with content teachers

## Problem Statements Identifying Student Academic Achievement Needs

**Problem Statement 1:** NCE's reading scores are currently lower than district scores according to DRA/Istation results. **Root Cause:** Lack of motivation, reading difficulties decrease interest, absences, books/resources, implementation an effective early intervention program, increase use of decodable readers in kinder and 1st grades

**Problem Statement 2:** NCE's 5th grade science scores have decreased in the last three years. **Root Cause:** New science TEKS, resources, teacher training

**Problem Statement 3:** NCE students are scoring below the district and state in "Meets" and "Masters" expectations in reading and writing. **Root Cause:** Increase instructional rigor, lack of student motivation, increase reading interest by providing incentives

# School Processes & Programs

## School Processes & Programs Summary

All teachers and paraprofessionals at Normandy Crossing Elementary are highly qualified. All new teachers are assigned a mentor and a teacher on their grade level serves as their "buddy". Staff attendance maintained the district's expectation at 97.25%. Classroom schedules were created to maximize instructional time according to each grade level and their needs as learning time is vital to the educational success of all students. Campus goals are aligned to district goals for continuity. Our campus PLCs (content planning teams) work together to ensure continuity between the grade levels. We provide campus staff development, lesson planning with teams, and modeling lessons as needed. Professional development is planned using student achievement data, implementation of new TEKS, and campus needs. Professional development plan has been approved by NCE's CPAC. Teachers utilize the district curriculum located in Curriculum Corner and is aligned with the state standards. Teachers align instruction to match the rigor of state assessments with the assistance of campus instructional coaches and district specialists. District made assessments, released tests from the state, istation, and DRA results are used to measure student progress. The data from these assessments are used to help guide instruction in the classroom. Guided reading and math groups are used in all classrooms to meet student learning needs. This allows for differentiated instruction to assist students at various instructional levels. Intervention groups are identified using assessment data, teacher observations, and classwork samples. Struggling students are identified and tracked by classroom teachers and the RTI committee. Students who struggle with content are provided with reteach opportunities during small group interventions and tutorials. Normandy Crossing Elementary has three computer labs available with up-to-date technology for students. All three labs are utilized on a rotating teacher schedule. All classes Pk-5th have access to iPads and/or Chromebooks to use during centers. Teachers are trained on how to integrate technology into the curriculum using these devices. All classrooms have mounted ceiling projectors, document cameras, and 10 classrooms have access to ClearTouch Panels. Each year, teachers create technology goals and work with the campus technology specialist to meet these individualized goals.

## School Processes & Programs Strengths

- Campus Instructional Coaches & Interventionist
- New Teacher Mentor/Support
- Campus Instructional Coaches
  - Meet with grade levels for data disaggregation, planning, and training
  - Pullouts and Push-ins
- Tutorial Programs, including Communities in Schools program (ACE).
- RTI Committee and Interventions

## Problem Statements Identifying School Processes & Programs Needs

**Problem Statement 1:** NCE students do not consistently follow school rules, procedures, policies and lack appropriate social and decision making skills.

**Root Cause:** Lack of student knowledge or awareness, not consistently modeled, make poor decisions or react impulsively.

**Problem Statement 2:** Processes need to be in place to ensure that the daily demands of the campus do not overshadow our focus on instructional planning and student improvement. **Root Cause:** Unexpected situations, emergencies, or behavior concerns, procrastination, lack of communication, lack of organization/planning

**Problem Statement 3:** There is a need for headphones for regular classroom/computer lab usage and for STAAR/TELPAS testing. **Root Cause:** NCE students biting/chewing headphone cords, broken headphones

**Problem Statement 4:** Technology is constantly evolving which causes devices to become outdated (i.e. computers, ipads, chromebooks) **Root Cause:** Outdated technology devices, budget to update devices/licenses

# Perceptions

## Perceptions Summary

Based on surveys, students describe NCE as a safe and friendly school. Parents feel welcomed and trust the adults on campus. At Normandy Crossing Elementary, we've had an increase in parental participation in events such as Muffins for Moms, Donuts for Dads, Grandparents' day luncheon, and many PTA meetings that highlight various student groups. However, we have a limited group of parent volunteers. The campus communicates with parents via the website, school letters/calendar of events, the marquee, and the call out system. Parents and community members participate on NCE's CPAC committee and are welcomed to voice concerns, opinions, and input into the campus planning and improvement process. All teachers and paraprofessionals at Normandy Crossing Elementary are highly qualified. Staff attendance continues to meet the district's attendance expectation at 97.25%. A leadership team is in place to support and coach teachers, as well as provide learning experiences for future leaders and mentors. This group also assists in providing campus staff development, lesson planning with teams, and modeling lessons as needed. The average years of experience for NCE teachers is 6.9 years. Student attendance in 2018-2019 was 96.47%, which did not meet the district's expectation of 96.5% and was a slight decrease from the year before.

## Perceptions Strengths

- Kid-friendly school atmosphere
- High Expectations and a Clear Vision
- Family and Academic Nights (STEAM, Literacy, GT)
- PTA Programs highlighting various grade levels
- Semester Award Ceremonies
- Community in Schools (ACE) parent programs
- Utilizing Parent Friendly Communication Apps (Remind, Class Dojo, SchoolStatus)

## Problem Statements Identifying Perceptions Needs

**Problem Statement 1:** Seek community involvement to provide resources and/or incentives for individual students and/or classroom use. **Root Cause:** Lack of time to search or apply for grants, professional development on grant writing needed

**Problem Statement 2:** In the Fall of 2018, there was an increase of discipline violations to the student code of conduct in comparison to the Fall of 2017 discipline report. **Root Cause:** Lack of appropriate social skills, additional staff training needed for mental health, building and maintaining rapport, being proactive rather than reactive towards student behaviors

**Problem Statement 3:** NCE students in grades 2-5 need additional extracurricular activities to build relationships, establish teamwork, foster a positive school culture, recognize and celebrate success **Root Cause:** Lack of positive relationship building outside of the classroom, lack of teamwork opportunities, lack of student camaraderie

### Performance Objective 1 Problem Statements:

Demographics
<b>Problem Statement 1:</b> NCE students met district average in attendance percentages at 96.6%, but Pre-K, Kinder, and 1st grade had the lowest attendance percentages. <b>Root Cause 1:</b> Illnesses due to new to school, lack of motivation, and/or lack of parents' knowledge of how attendance affects learning in the lower grades
<b>Problem Statement 2:</b> Due to a high mobility rate, as compared to other GPISD elementary campuses, newly enrolled students would benefit from interventions that familiarize them with academic and behavior expectations. <b>Root Cause 2:</b> Student mobility, instructional gaps, behavior
<b>Problem Statement 3:</b> NCE students who are "Placed" in the next grade level and may have some deficits, but not enough to be retained are not offered a summer school opportunity. <b>Root Cause 3:</b> Summer school opportunities are limited to Title III or SSI programs, funding
Student Academic Achievement
<b>Problem Statement 1:</b> NCE's reading scores are currently lower than district scores according to DRA/Istation results. <b>Root Cause 1:</b> Lack of motivation, reading difficulties decrease interest, absences, books/resources, implementation an effective early intervention program, increase use of decodable readers in kinder and 1st grades
<b>Problem Statement 2:</b> NCE's 5th grade science scores have decreased in the last three years. <b>Root Cause 2:</b> New science TEKS, resources, teacher training
<b>Problem Statement 3:</b> NCE students are scoring below the district and state in "Meets" and "Masters" expectations in reading and writing. <b>Root Cause 3:</b> Increase instructional rigor, lack of student motivation, increase reading interest by providing incentives

## School Processes & Programs

**Problem Statement 2:** Processes need to be in place to ensure that the daily demands of the campus do not overshadow our focus on instructional planning and student improvement.

**Root Cause 2:** Unexpected situations, emergencies, or behavior concerns, procrastination, lack of communication, lack of organization/planning

# Title I Schoolwide Elements

## ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

### 1.1: Comprehensive Needs Assessment

CPAC met on **May 20, 2019** to review and approve campus needs assessment/goals/problem statements gathered by four teams created by campus staff who initiated the CNA conversations. Four teams were established and met on **March 4, 2019 & March 18, 2019**. Each team reviewed the data (parent, student, and teacher surveys, STAAR results, attendance data, discipline data, schedules). Each team listed strengths and concerns/weaknesses. As a staff, we discussed each concern/weakness and deleted any items that were out of campus control and focused on one or two that we could make our goal for 2019-2020. Each team then wrote a problem statement and identified root causes. These were presented to CPAC on May 20, 2019. Based on our CNA, our 3 areas of focus will be:

1. Increase Attendance
2. Increase meets and masters in Reading and Writing
3. Focus on campus-wide discipline and mental health

## ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

### 2.1: Campus Improvement Plan developed with appropriate stakeholders

#### NCE CPAC and staff developed the Campus Improvement Plan

## 2.2: Regular monitoring and revision

CPAC will meet on **September 23, 2019, December 16, 2019, February 10, 2020, and May 18, 2020** to review, monitor, and revise the CIP.

## 2.3: Available to parents and community in an understandable format and language

The CIP will be available to parents and community members in the following locations: front office, campus website, GPISD Administration, and R & K Barbeque. The goals of the CIP are available in English and Spanish. A copy of the CIP is available in English and Spanish. Parents were sent information on how to access our campus CIP on campus newsletter and Skyward email.

## 2.4: Opportunities for all children to meet State standards

**All** students will have the opportunity to meet state standards through whole group instruction, small group interventions, tutorials, differentiated instruction, and TEKS focused high-quality instruction. Various opportunities are provided for all students to be successful, including pull-out and push-in small groups, guided reading and guided math groups, after school tutorials.

## **2.5: Increased learning time and well-rounded education**

Master schedule will be created to ensure "Every Minute Counts" and that at least the minimum required minutes for all content areas are allotted for each class. Teachers will ensure all lessons are planned and prepared to maximize instructional time. After school tutorials and Saturday tutorials will be offered to all students. Students will attend Music, Art, PE, and Library to ensure a well-rounded education to hone and develop their other talents. Extra-curricular enrichment activities will be available for students including, but not limited to: boys club, art club, honor choir, robotics, book club, safety patrol, student council, UIL Elementary Academic Meet, and national elementary honor society.

## **2.6: Address needs of all students, particularly at-risk**

Reading and writing are a focus for our At-risk, SPED, and EL populations. Attendance and mobility are also a concern as it creates instructional gaps. Our homeless numbers have increased and are above many elementary schools in Galena Park ISD.

## **ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)**

### **3.1: Develop and distribute Parent and Family Engagement Policy**

The Parent and Family Engagement Policy was reviewed and revised on **September 23, 2019**, by the following members:

Joann Sanchez, Counselor Irene Benzor, Principal

Shakia Rebollar, parent Ana Ramirez, parent

Cherise Ramirez, parent Veronica Cisneros, parent

Lelia Wooton, parent Brandi Kuhrt, parent

The policy was distributed to parents during parent/teacher conferences during the week of **October 21 - 26, 2019**. The policy can be found in the front office and on the campus website in both **English and Spanish**.

### **3.2: Offer flexible number of parent involvement meetings**

Parent and Family Engagement meetings will be offered throughout the year and include the following:

- Parent Meetings: Sept. 17 (5:00 pm); Dec. 3 (5:30 pm); February 25 (5:30 pm); May 19 (5:30 pm)

- Coffee with the Principals: Sept. 13 (8:15am); Nov. 8 (8:15am)
- Volunteer Meeting (morning/afternoon)
- Parent conferences (teacher conference times and Saturday, October 26, 2019 @ 8:00-10:00 a.m.)
- ACE Monthly Parent Meetings (after school)
