**CERTIFICATION OF 1ST TEST OF
AUTOMATED TABULATING EQUIPMENT**

I, Carrie Leffert, the manager of the central counting station do hereby certify that the test of the automated tabulating equipment to be used to count the ballots for the Galena Park ISD Board of Trustees Election to be held on May 7, 2022 was conducted by a pre-audited group of ballots marked to record a predetermined number of valid votes for each candidate and on each measure. The test also included ballots which had votes cast in excess of the number allowed by law in certain races, in order to determine the ability of the automatic tabulating equipment to reject such votes and ballots with other improper votes.

The initial LAT(a) test had to be voided because election official chose "Early Voting" on JBC rather than "Election Day" to match test deck precinct ballots. A new test MBB was used to conduct a second LAT(b).

The LAT(b) test was successful and was concluded at 2:00 p.m. on April 20, 2022.
